Each day includes drama, storytelling and crafts based on the book of the day. In the afternoons the children will be treated to a workshop with a specialist provider and enjoy multi sports (Monday), circus skills (Tuesday), Mr Marvel magic show (Wednesday), mini 'Sports Day' (Thursday) and a disco (Friday).

There are plenty of opportunities for fun group games and free play both indoors and outdoors in the infant playground. Excellent adult:child ratios at 1:8 with highly experienced and nurturing staff.

***** "Fabulous camp! My child attended over half term and loved every day - from magic shows to fancy dress and disco parties! They were also really pleased with their daily craft making. Thoroughly recommended and brilliantly organised."

***** "You run the most organised and caring programme we have experienced so far. It's a priceless feeling to know that your child is in that environment, thank you."

***** "My son had a wonderful week at Debutots. He had not done full days at camp before and didn't know anyone going, so we were apprehensive but had no need to worry. He came out so happy every day and asked to go back next time! We would recommend it to anyone, especially those looking for a warm and friendly smaller group."

The cost is £270 for 5 days 10am to 3pm, but you can also book the early/late options at £10 per hour, or select individual days.

If you'd like to pay with childcare vouchers please use the voucher code 'Childcare' and I will send instructions for payment later.

PLACES ARE STRICTLY LIMITED. jennifer@debutots.co.uk, photos of previous camps [here](#).
